RE: DONATION

I.C.Y – Influencing Children and Youth is a non-profit Organisation totally dependent on the support and funding by private and corporate donors and sponsors to implement our programs.

I.C.Y wishes to thank Thermalmate SA for their generous donation of 195 thermal mugs for our kids camping program.

Your generous giving enables us to have an impact on children's lives. Helping us create new memories and change lives.

Thank you for partnering with us, to affect change in the lives of the abused and neglected children.

Kindly extend our gratitude towards the Management of your company.

Yours Sincerely

Vanessa Carelse
